## LECTURER AT FAIR

"The present International War will bring prosperity," says Janet Fenimore Korngold, "but it will be prosperity for the captains of industry not for the working people of this or any other country. The present rise in the price of food stuffs indicate what the American people may expect."

Mrs. Korngold is a national lecturer for the Socialist Party. She is by profession a school teacher, but upon becoming a Socialist she left the school room to give her time and ability to the Socialist movement. She has traveled extensively during the past five years, and is one of the most popular women lyceum lecturers in the United States.

Mrs. Korngold will speak on the Medina fair grounds Sept. 17, at 11 a. m., standard. The European war situation will be discussed from the Socialist standpoint and by a woman who knows whereof she speaks. The title of her subject is "Wealth and Wages." There will be no admission charge.

## Ate Only Raw Eggs Until Mayr's Remedy Restored Her Stomach

S. D. Martin and Friend Are Both Saved by Using Wonderful Treatment

S. D. Martin of Elkton, Ohio, suffered with stomach troubles and difficulties in his digestive tract. He lost weight and his appetite was bad.

He took one dose of Mayr's Wonderful Stomach Remedy and was swiftly restored with one dose. Seven months later he sent in an order for more, saying:

"Since taking your sample I have not been bothered any to speak of with my stomach. Before I had headaches and dizzy spells, of which I am almost free. I have gained 15 pounds since taking the one dose. It is not that I need medicine now that I am sending. My wife induced a lady friend to try it. She had been eating only a raw egg or cracker or two, and often could not keep them down. This lady used your remedy and it has almost cured her."

Thousands of users of Mayr's Wonderful Stomach Remedy all over the United States. It is known everywhere. The first dose convinces—no long treatment.

Mayr's Wonderful Stomach Remedy clears the digestive tract of mucoid accretions and poisonous matter. It brings swift relief to sufferers from stomach, liver and bowel trouble. Many declare it has saved them from dangerous operations and many are sure it has saved their lives.

Because of its remarkable success there are many imitators, so be careful. Be sure it's MAYR'S. Go to all dealers and ask them about the wonderful results it has accomplished in cases they know—or send to Geo. H. Mayr, Mfg. Chemist, 154-156 Whiting St., Chicago, Ill., for free book on stomach ailments and many grateful letters from people who have been restored. Any druggist can tell you about its wonderful effects.
